

SIMPLY BETTER MEETINGS

Welcome to GlobalMeet®, a virtual meetings solution that works the way real businesses do. GlobalMeet brings audio and web conferencing together and makes meetings so simple and painless, it's hard to imagine why no one thought of it before. No guest downloads. No passcodes or dial-in numbers. The meeting calls you. **Simply better meetings, and one low monthly price.**

Meet while you're on the go.

Know who's talking, in real-time.

Move easily between audio and web meetings.

COMMAND THE MEETING.

Connect to meetings with one click from your desktop or mobile device.

Forget about passwords and dial-in numbers. The meeting calls you.

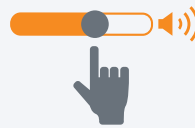

Get a personal, permanent web address with your name on it.

Easily start, schedule and manage meetings from your Outlook toolbar.

Eliminate the hassle of software downloads for your guests.

Manage audio meetings with your visual desktop controls or mobile apps.

Share your screen with crystal clear quality.

Personalize meetings with webcam video for everyone.

Connect globally with international support.

Stop taking notes. Record meeting audio and video with one click.

Manage and access meeting files and recordings directly from your meeting.

Start/Join your meeting from your desktop in a single click.

FOCUS ON YOUR MEETINGS, NOT YOUR MEETING TOOLS.

Imagine simple, painless team meetings, sales training and product demos, in the office or on the go. All for one low, inclusive monthly price. We may not be able to stop Monday morning staff meetings, but we've taken care of everything else.
